City of Auburn
Board & Committee
Reappointment Application 2024 – Arthur Wing

Briefly describe why you want to serve on this committee:

The Auburn Housing Authority's (AHA) mission is to provide access to safe, quality and affordable housing for the residents of the City of Auburn. Commissioners have a responsibility for the management, policy-making and oversight of the housing authority to ensure accomplishment of the Mission. As a Commissioner, I find working with the Board of Commissioners, AHA management and staff on the organization's mission challenging, rewarding and important to our City.

I feel my education, work experience and energy can assist the other Commissioners, the Executive Director and staff to make a difference in the lives of low-income families, the elderly and persons with disabilities.

What do you hope to accomplish?

I feel with the change in Auburn's leadership there is an excitement for additional affordable housing in Auburn. Having been Board Chair and Commissioner during the development of Webster, Vincent Square and Spring Street apartments, I bring development experience to our newer commissioners to help guide them through new affordable housing opportunities.

There continues to be a significant shortage of housing in our City. I am excited to explore and work with the City, the board of Commissioners and AHA management on new development opportunities for additional housing units in Auburn.

It is the responsibility of the Auburn Housing Authority to implement and administer the various programs designed and funded by the U.S. Department of Housing and Urban Development (HUD). Rules and regulations are updated and changed continuously and as Commissioner I will continue to work with management to ensure AHA has the resources to maintain the current properties and meet all of HUD's rules and regulations.
