Memo to File

A meeting occurred, but the electronic minutes were inadvertently erased, and the original notes dispensed with after the electronic minutes were created. Therefore, there are no official minutes of the June meeting.

To the best of my recollection, we discussed the following:

1. Activities completed during Maine Arbor week, including
 - a. Participation in the State event at Viles Arboretum in Augusta
 - b. Mayor's Maine Arbor Week proclamation at the City Council meeting.
 - c. Screening of the American Chestnut Foundation film, "Clear Day Thunder, Rescuing the American Chestnut".
2. Update on the status of Auburn's Project Canopy Grant application to improve the tree nursery.
3. Notable Trees of L-A project

Respectfully submitted for the record, with apologies

David Griswold, chair
