At Auburn Recreation, our mission is to promote a healthy lifestyle through various recreational activities focused on enhancing the wellbeing of all Auburn citizens.

Registration: Registration can occur online at www.auburnmaine.gov

Registration Process: Pre-registration and pre-payment are required for all classes.

Program registrations are accepted in person, by mail, online, or over the phone.

Payment is expected before the start of the first class date. Individuals may register their own family and one other family for programs unless we have specified otherwise.

Payment: Full payment is required at the time of registration for classes \$40 and under. For programs \$41 - \$100, a minimum of 50% payment at the time of registration is required along with a signed payment plan. For programs \$101 or more there is a minimum \$50 payment at the time of registration required along with a signed payment plan.

Payment Plan Policy: Payment Plans are available for programs \$40 or more. These are 90-day payment plans and can only be set up in person, in the office. When an account with an outstanding balance doesn't show any payment past 90 days, it will be sent to collections. If you are on a payment plan and stop/miss a payment without communicating with us, we may deny or remove the participant from the activity. If you are on a payment plan and would like to register for a new program, your balance must be under \$200 before registration and a new payment plan can occur.

Non-Residents: Participants who do not live in Auburn must pay an additional fee of \$10 per class. This includes senior citizens and non-residents unless otherwise specified.

Confirmations: We do not send course confirmations or reminders of enrollment. If you register for a program and do not receive a call from us, you have been accepted into the class and are responsible for knowing class dates, times, and locations.

Refunds: If we cancel a class or special event, all fees will be refunded. If you withdraw 3 business days before the first class or one-time event (excluding weekends and holidays), you will receive a full refund. If you withdraw fewer than 3 business days before the first class or one-time event, you will receive a 50% refund. No refunds will be given if you cancel after the class, or if the one-time event has taken place. If you are dissatisfied with a program after the first class of a session, you must let us know before the second class of the session. We will issue a 50% refund at this time. No refunds will be given after the second class of a session. Refunds take about 14-21 days to process. We do not provide cash refunds. If an injury occurs to a participant that prevents the participant from continuing in a class, you may request a pro-rated refund of the activity fee.

Trip Refund: If Auburn Recreation cancels a trip, we will refund all fees to the participant. If the participant notifies us 3 or more business days before the scheduled trip, we will issue a full refund unless otherwise noted in the brochure. If the participant notifies us fewer than 3 business days before the scheduled trip, we will issue a 50% refund. No refunds will be given on the day of the trip or after the trip is held.

Inclusion: Auburn Recreation provides reasonable accommodations to qualified individuals with disabilities. To accommodate your needs, a request must be made at least 10 days prior to the first day of the program.

Diversity and Equity: Auburn Recreation is committed to fostering, cultivating, and preserving a culture of diversity, equity, and inclusion. We embrace and encourage our employees and participants' differences in age, color, disability, ethnicity, family or marital status, gender identity or expression, language, national origin, physical and mental ability, race, religion, sexual orientation, veteran status, and other characteristics that make our employees and participants unique.

Discounts: Auburn Recreation does NOT offer a senior discount, sibling discount, or family discount for classes as we attempt to make the classes as low and affordable as possible.
