Current Overview of Senior Center Renovation Project

The proposed Senior Center Expansion Project would be completed using CDBG funds which will result in significantly lowering requests of CIP funds to complete the entire conversion of the building. The project will consist of creating a large capacity function hall that allows the current marriage wall to close to create two smaller function spaces depending on the event. The function hall portion of the building will also include; 2 new handicap accessible bathrooms, approximately 1,000 square feet in storage space, coat closet, food serving counter, heating/AC units, an additional storefront entry, and new exit doors. Kitchen renovations will still be made with CIP funds that have already been allocated and will be completed for Fall 2019.

Renovations to the whole building include: New LED lighting throughout the entire building (which qualifies the City for cost saving rebates), new acoustical ceiling tiles with sound absorption qualities, significant electrical and plumbing updates, vestibules for both entrances, one large outdoor awning to cover both entrances, and a specialized flooring that is both sound absorbent and food/water resistant. The parking area between the buildings will be completely regraded and repaved to address current drainage, winter icing, and sewer line issues.

No refunds will be given after the second class of a session. Refunds take about 14-21 days to process. We do not provide cash refunds. If injury occurs to a par-

ticipant that prevents the participant from continuing in a class, you may request a pro-rated refund of the activity fee.

Trip Refund: If Auburn Recreation cancels a trip we will refund all fees to the participant. If the participant notifies us 3 or more business days before the scheduled trip we will issue a full refund unless otherwise noted in the brochure. Discounts: Auburn Recreation does NOT offer a senior discount, sibling discount, or family discount for classes as we attempt to make the classes as low and affordable as possible.

Building Use Priority: Auburn Recreation's facilities will follow the building use priority list when it comes to scheduling and renting out facilities:

1. Recreation Programs (priority will be given to programs and activities that are designed for a specific area i.e. basketball in the gym will take priority over a group meeting). These programs are 100% organized and ran through the Recreation Department. Example; Youth Football, Adult Slow Pitch League, Senior Trip.
2. Co-Sponsored Programs are any programs that are organized and programmed at least 50% through the Recreation Department and 50% with an instructor, organization, or local team where the funds and registrations are being collected by the Recreation Dept. Also in this category will be any City Sponsored Dept. program. Examples include Challenger Soccer, Line Dancing, LA Swish, RAD with the Auburn Police Dept.
3. Any local (Auburn area) community group, organization, team looking to rent the facility and is not offered through the Recreation Dept. Example would be Margaret Murphy Center, Local Home School group, LAYSA, Babe Ruth, Legion Baseball.
4. Any other external group, organization, or team that are looking to rent the facility for a NON-COMPETING activity or program. The Recreation Director will have the final decision on determining what is considered a competing and non-competing program.
